MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Harry E. Fitzwater
Director of Personnel Policy, Planning,
and Management

SUBJECT: Career Service APP Analyses

1. This is the first year that Career Services have prepared reports for your review and represents the implementation of the approved recommendation of the EXCOM that "the Heads of Career Services (will) evaluate their own system" as much as possible within the context of the APP. Prior to submitting their reports, the Career Services were provided a suggested list of questions to assist in the analysis process and invited to identify additional points they may wish to address relating to FY 1979 APP achievements or FY 1980 goals. Their reports are attached.

2. For your convenience, we have prepared a brief review of the Career Service analyses, which you will find at each attachment.
